Dear Members of the ISA Selection Committee,

I am writing to express my great interest in the position of Head of Academic Affairs at ISA. Having been part of RSU for more than 2 years, I have developed a deep understanding of its academic strengths and areas for growth. I am committed to promoting excellence in education, supporting faculty development, and ensuring our programs meet the highest medical and ethical standards.

I have actively participated in various ISA events, including Orientation Week, sports tournaments, and MedTalk. In addition, I have served as a board member and an active participant in several academic societies, where I contributed to revitalizing their activities and ensuring their effective operation. Beyond the university, I have gained valuable experience working in two private companies, where I handled management-related challenges and developed strong problem-solving skills. During my school years, I captained the table tennis team and performed as a violinist in several orchestras, including the Symphony Orchestra of Sri Lanka.

If given the opportunity, I aim to strengthen collaboration among departments more, enhance academic quality through innovation, and support both students and faculty in achieving their full potential. With my experience, dedication, and leadership, I am confident I can contribute meaningfully to the continued success and reputation of RSU.

Thank you for considering my application. I look forward to the opportunity to manage this important role professionally.

Yours Sincerely,

Ginura Vinwath Don Philip Muhandiramge
