International Student Association

Riga Stradins University

Dear ISA,

I am writing to express my interest in continuing as Head of Sports and Integration within the International Student Association at Riga Stradins University. Having proudly served in this position over the past year, I have gained valuable experience in event planning, teamwork, and student engagement. I am eager to continue building on the strong foundation we have established to further enhance the social and sporting life of our diverse student community.

During my tenure, I have organized and led a range of successful initiatives that have contributed to student integration and well-being. These include multiple orientation week events such as bowling, scavenger hunts, laser tag, beach day, sports day, and pub crawls. With the help of other ISA departments, I have also collaborated on key integration projects like Speed Friending, Teddy Bear Hospital, Info Fair, and Worldwide, ensuring that international and local students alike feel welcomed and connected.

In addition, I have created and delivered several presentations to new students, helping them better navigate university life and integrate into the RSU community. Most recently, I helped launch the annual sports tournament, a long term initiative aimed at promoting healthy competition and unity among students.

My background as a former high school point guard and sprinter continues to shape my leadership style, emphasizing teamwork, strategy, and discipline. I approach every project with the same mind set: to bring people together through shared experiences, build a sense of belonging, and strengthen our university spirit.

If given the opportunity to continue in this position, I intend to expand ISA's sporting and integration activities even further by introducing new interfaculty tournaments, improving communication channels with students, and fostering greater collaboration between ISA and academic societies.

I am deeply passionate about this role and confident that my experience, dedication, and vision will continue to contribute meaningfully to ISA's mission of promoting inclusion, wellness, and community among students.

Thank you for considering my reapplication. I look forward to the opportunity to continue serving and improving the student experience at RSU.

Sincerely,

Oritsetsegbemi Emmanuel Kunu
